

Dear Colleagues,

Thank you very much for your efforts to organize the conference.

I would like to agree with the resolution content.

2024 is fine for me and my colleagues.

Could you please inform us about Book of Abstracts. Is there plan to publish it in PDF mode?

Kind regards,

Evgeny Levashov

Dear colleagues,

I congratulate you on the successful holding of the conference in the difficult conditions of the pandemic. I would like to know if there is a book of conference materials and if it is possible to get one. Unfortunately, I was not able to give a lecture, as I was busy with lectures for students during these hours. Hope to meet at the next conference.

Best wishes

Roza Abdulkarimova
